Institutions:

Universitas Negeri Yogyakarta

Content:

Physical education (PE) teachers at special school have implemented the newest curriculum proposed by the government, but they still face difficulty in managing the learning process to be effective and efficient. This condition is caused by the students heterogeneity and their low level of physical fitness. Therefore, based on this condition, it is needed to find out the PE teachers level of need. This research is aimed at finding out the PE teachers level of need in developing PE learning model on physical fitness subject matter at special school. This research involved 34 PE teachers and 60 students of special school as the subject of the study. Survey method was employed in this research, and the data collection techniques used were observation and questionnaire. The collected data were then analyzed using descriptive percentage method. The result of the research shows that 87% students agree with the developing of the PE learning model on physical fitness subject matter and it i

s strengthened by 100% PE teachers who also agree with the learning model development which can improve students activity in PE learning process. Thus, it can be concluded that the level of need of PE teachers and students with special needs at special school in Yogyakarta Special Region towards the developing of PE learning model on physical fitness subject matter is very high.

Announcement of Proceedings Publishing

Dear Author(s),

We gladly inform you that the proceedings of the 2nd YISHPESS and 1st CoIS has been published online by Atlantis Press (please see the link below). And now we are waiting for the indexation. For your information, Atlantis Press also take care that these proceedings are submitted to relevant indexation databases such as CPCI-S and CPCI-SSH (both part of Clarivate's Web of Science), CNKI, Google Scholar, Scopus, etc. So if your Paper is eligible, hopefully it will indexed on one of these indexation database. Thank you for your contribution to our 2nd YISHPESS and 1st CoIS Seminar.

Penulis yang Terhormat,

Kami informasikan bahwa prosiding dari 2nd YISHPESS dan 1st CoIS sudah terbit online (silakan klik tautan di bawah). Proses selanjutnya adalah indeksasi. Sebagai informasi, Atlantis Press akan mengurus prosiding ini untuk dikirimkan ke indeksasi yang relevan seperti CPCI-S dan CPCI-SSH (keduanya adalah bagian dari Clarivate's Web of Science), CNKI, Google Scholar, Scopus dan yang lainnya. Jadi jika makalah anda memenuhi syarat, mudah-mudahan akan terindeks pada salah satu database indeksasi tersebut. Terima kasih untuk partisipasi dan kontribusinya pada Seminar YISHPESS dan CoIS.
