Banda Aceh, Indonesia, May 5th, 2010

To: Dean of FMIPA – Universitas Negeri Jogjakarta (UNY)

Ref: Justification for Mrs. Rahayu Dwisiwi Sri Retnowati

I am pleased to inform you that the United Nations Development Programme (UNDP) / Making Aceh Through Disaster Risk Reduction (DRR-A) has signed an LoA (letter of Agreement) with The Provincial Education Office to integrate disaster risk reduction (DRR) into elementary school curricula. With the support from UNDP – DRRA project, BGR /ManGeo NAD and ADEF (Aceh Disaster Education Forum), The Provincial Education Office had developed and included DRR components into school curricula for 4 - 6 grade of elementary school level.

In this regards, The Provincial Education Office in close consultation with UNDP will design an integrated DRR system in curriculum in elementary level and planning to be implemented and taught in the schools throughout Aceh Province.

In view of this, we would like Mrs. Rahayu Dwisiwi Sri Retnowati who has the expertise in this area to assist the Aceh Provincial Education Office to develop DRR curriculum at elementary schools level in her capacity as National Consultant for Development and Implementation of DRR Curriculum – DRRA for the period of 12th April – 11th August 2010. During her consultancy period, she will be traveling to Banda Aceh & Jakarta for conducting workshop and provide technical assistance related to DRR curriculum development.

Please feel free to contact Mr. Fahmi Yunus at phone mobile 0813 6040 1217 or to email [fahmi.yunus @undp.org](mailto:fahmi.yunus@undp.org) should you have any queries in this regards.

Thank you for your great attention

Sincerely Yours

Herawati Daud
