<b>REVIEW RESULTS</b>	
Title	The title has been both short and solid
Introduction	<ol style="list-style-type: none"><li>1. In general, it is adequate but it should be elaborated, it needs to be improved implicitly</li><li>2. Beside theoretical, please present the empirical and actual aspects</li></ol>
Discussion	<ol style="list-style-type: none"><li>1. The discussions have covered the problems being studied. But it is better to be elaborated further in order that the structure is clearer</li><li>2. The picture should be presented using colorful image</li></ol>
Conclusion	The conclusion has answered the research problems, and please simplify
References	References are adequate, however, please add more references from the internet
Writing format	Please follow the template of IJSS as a guideline for writing your paper
