I. DESKRIPSI MATA KULIAH

The course examines the internal structure of words and the rules by which word formation takes place and provides an introductory study of English grammar from a formal perspective. It covers such topics as lexical items, morphemes, inflection, derivation, compounding, word elements from Latin and Greek. During the course learning mostly through inquiry and discovery, students are introduced to defined concepts with clarifying examples followed by exercises in applying the principles involved on cases pertinent to the topics and analyzing the cases in prescribed ways.

II. STANDARISASI KOMPETENSI MATA KULIAH

At the end of the course, students will acquire a competency in conducting studies on word structure, indicated by an awareness of its various aspects and an experience and ability in analyzing it.

3. Workload and grade calculation:

10% Participation. Half of the participation grade is equivalent to attendance. At the beginning of every lecture and presentation, all students will sign their initials on the attendance sheet. The attendance sheet will be removed after the first 20 minutes of class. You may miss 3 lectures.

30% Homework..

30% Midterm. Tests are in-class, short answer/true or false/multiple choice. There will be a detailed review session before the test so you'll know exactly what is coming. The dates for both the midterm and the final are fixed at the beginning of the semester. Please schedule your other obligations around these dates, because **THERE WILL BE NO MAKE-UP TESTS. Make up exams will not be given** except in the case of extraordinary circumstances.

30% Final. See "Midterm."

4. Homework assignments description

- a. There will be nine assignments. However, six assignments will contribute to your grade. Therefore, you are expected to do all the assignments. The three lowest score will be dropped. Through these assignments you will gain the understanding of introduction to linguistics. You are required to do the linguistic analysis of certain data.
- b. Homework is to be turned in on the due date at the beginning of lecture (=no later than the first 20 minutes of class). **YOU MUST TURN IN YOUR HOMEWORK.** Early submissions are welcome; **LATE SUBMISSIONS WILL NOT BE ACCEPTED.**
