Dear Sugiyama sensei,

I was proofreading for my JHS article.

I found some miss word and punctuation when I looks again at English editing manuscript. So, I make some red mark in the manuscript.

Is it necessary to revise by myself? or put it in your mailbox?

thank you for your attention.

Please put the manuscript you marked in my mailbox.

Also please send the list of schools where you conducted the research when you were in Jogjakarta and activities (very short summary) as soon as possible.

Thank you for your attention.
