Dear Wipsar Sunu Brams Dwandaru,

Glad to hear from you. Thanks for your cooperation.

Your paper (**ID:4000500076 Title:XRD Peak Shift and Enhancement of Repeated Mechanically Exfoliated SnO₂ Thin Films Synthesized from SnCl₂ Powder by Direct Heating**) has passed the preliminary review by the editors and has been sent for peer review.

Once we have the latest news of your paper, we will email to you.

Thanks for your support to our journals.

Please add editorial@sciepub.com, journal@sciepub.com, billing@sciepub.com to your contact list(Your registered email id in SciEP website), in order to avoiding spam.

Best wishes,

XRD Peak Shift and Enhancement of Repeated Mechanically Exfoliated SnO₂ Thin Films Synthesized from SnCl₂ Powder by Direct Heating

Dear Editorial Assistant
Richard Thaler

We have submitted a manuscript with the above title to the Nanoscience and Nanotechnology Research with an ID of 4000500076. We would like to know the status of the manuscript at the moment.

Thank you in advance for your clarification.

Best regards,
Wipsar Sunu Brams Dwandaru

Paper Title: XRD Peak Shift and Enhancement of Repeated Mechanically Exfoliated SnO₂ Thin Films Synthesized from SnCl₂ Powder by Direct Heating

Please kindly find attached the proof and please check the content of the paper carefully to avoid errors. All the changes or corrections are required to be made on this proof and be highlighted. Thanks in advance for your cooperation.

Please check the highlights. Some citations have no corresponding reference and some references have not been mentioned in the text.

Notes:

Please highlight all the changes you have made on the attached proof.

Please check the PDF version and make revision on the WORD version.

Please don't change the format of paper, only change the content of your paper.

Or you can have a new word file to list where you have made changes (which page, which line and the specific content).

If you want to check the proof again, please let me know when you return the revised proof.

Thanks again for your cooperation.

I'll look forward to hearing from you.

Dear Editor of Nanoscience and Nanotechnology Research,
Science and Education Publishing

My apology for the slow response. Thank you very much for accepting our manuscript (ID 4000500076) entitled above to be published in the Nanoscience and Nanotechnology Research.

We have made a transfer payment concerning the publication fee of 150 USD. The transcript proof is attached. We have also completed the copyright transfer.

Hopefully, our manuscript may be accessed as soon as possible.
