#### I. DESKRIPSI MATA KULIAH

This course is designed for advanced ESL students, the main focus of which is the development of students' speech communication skill. The skill covers all abilities to deliver various kinds of formal and academic presentations and speeches. Therefore, the class interaction will mainly consist of students' activities directed to encourage and facilitate students to develop their speech communication skill.

#### II. STANDAR KOMPETENSI MATA KULIAH

By the end of the course, students are expected to possess abilities to:

- speak English and express themselves confidently, communicatively, and clearly through various selected activities in which formal and communicative English is inherent.
- apply proper English rules in accordance with the topic of the speaking activities.
- apply various language functions which are integrated within speech communication activities, such as expressing degrees of probability, suggesting a course of actions, introducing a theme, indicating a wish to continue, asking for clarification, etc.
