Subject
Invitation as visiting researcher to Utrecht University

Dear Mr. Yanuardi,

Hereby we confirm that LANDac / Utrecht University (International Development Studies, Department of Human Geography and Planning, Faculty of Geosciences) has invited you to visit Utrecht University from 13 July to 31 August 2012 to do literature review for improving the research proposal on "The architecture of earth system governance in the conservation area at the Dieng plateau (Indonesia)", and that we will facilitate your visit. This research visit will take place after your participation in the Utrecht Summerschool 'Land Governance for Development' from 2 to 13 July 2012. Expenses such as travelling and housing costs are at your own expense.

LANDac which is the abbreviation for the Netherlands Academy on Land Governance for Equitable and Sustainable Development was established in 2010 (www.landgovernance.org). LANDac is a partnership between several Dutch organisations (Utrecht University is the lead partner) and their Southern partners involved in development-related research, policy and practice. The aim of LANDac is to bringing together researchers, policy makers and practitioners in the field of land governance and development.

We look forward to receiving you in the department.

Best regards,

Prof. Annelies Zoomers (LANDac / Utrecht University), Dr. Guus van Westen (LANDac / Utrecht University),
/ Ms Femke van Noorloos (LANDac / Utrecht University)
